

FREE WEBINAR!

Fall Gardening Essentials

Join us for this FREE online zoom webinar. We'll learn fall maintenance tips to keep your garden healthy, the importance of planting now to attract spring beneficial insects, eco-friendly tips for managing common fall pests, and putting your garden to bed for winter.

The class will run about an hour, with time for Q&A after the program – so come with your questions!

Suzanne Bontempo is an Environmental Educator and IPM Advocate. The owner of Plant Harmony and program manager for Our Water Our World, Suzanne is a past recipient of the IPM Innovators Award. She has worked in the horticulture industry for over 20 years with landscape contractors, leading garden maintenance teams, and in retail nursery management. Suzanne loves helping others achieve success in their gardens.
