Such contract shall provide for the payment of a reasonable collection charge to the city involved.

Sec. 63^q. The district may require that its charges be payable in advance. In case any charges remain unpaid at the time specified for fixing the tax rate of the district, if the property is owned, controlled, or in the possession of the same person who owned, controlled, or was in possession of it during the time the charges were incurred, or if the only transfers were made of the property since the date the charges were incurred, have been transfers by gift, descent, bequest, or devise, the amount due for the charges may be collected at the same time and in the same manner as annual taxes levied against the land served by the district facilities. Sec. 64. Expenses incident thereto are proper charges against the district.

Sec. 65. The district may enter in associations. Through a representative of the associations, it may also attend the Legislature to accomplish the purposes outlined in the next preceding section.

Sec. 83. The resolution calling the election may submit as one proposal the question of issuing bonds to make all of the outlays or so many of them as may be selected, or the resolution may submit at the election as separate questions the issuance of bonds for any of the outlays singly or in combination.

Sec. 84. Notice of bond elections shall be given by posting notices, signed by the clerk of the board, in three public places in the district, not less than 20 days before the election, and by publishing the notice not less than once a week for three successive weeks before the election in a newspaper printed and published in the district, if there is one, and if not, in a newspaper printed and published in the county.

Sec. 85. The notice shall contain:

- (a) Time and place of holding the election.
- (b) The names of the officers of election appointed to conduct it.
- (c) The hours during the day in which the polls will be open.
- (d) A statement of the purpose for which the election is held.
- (e) The amount and denomination of the proposed bonds, the rate of interest and the number of years, the whole or any of the bonds are to run.

Sec. 86. The vote shall be by ballot, without reference to the general law in regard to the form of ballot. The ballot shall contain the words "Bonds—Yes" and "Bonds—No," and the person voting at the election shall put a cross (+) upon his ballot after the "Yes" or "No," to indicate whether he has voted for or against the bonds.

Sec. 87. After the votes have been announced the ballots shall be sealed and delivered to the clerk or president of the board, which board shall on the seventh day after the election, at 8 o'clock p.m., meet and canvass them and enter the returns in its minutes.

The entry is conclusive evidence of the fact and regularity all prior proceedings and of the facts stated in the entry. No informality shall affect the validity of said bonds.

Sec. 88. Except as herein provided, the election shall be conducted as nearly as practicable in accordance with laws relating to general elections.

Fairfield-Suisun Sewer District Act

Conformed Document as of 7/1/2020

Sec. 89. If, at the election, a majority of the votes cast are in favor of the issuance of bonds, the board may issue and dispose of the bonds as proposed in the resolution calling the election.

Sec. 90^s. Bonds issued by the district under this article shall be in the denominations determined by the board.

Sec. 91^t. The bonds shall be payable in lawful money of the United States at the office of the treasurer and bear interest at the rate determined by the board but not to exceed the amount specified in Section 53531 of the Government Code.

Sec. 92. No bonds shall be payable in installments, but each shall be payable in full on the date specified therein by the board. The board may provide that all bonds issued by the district may be subject to retirement at any time prior to maturity.

Sec. 93. Each bond shall be signed by the president and countersigned by the clerk.

Sec. 96. The term of bonds issued shall not exceed 40 years.

Sec. 97. The board may in its discretion, before issuance commence in the superior court of the county, a special proceeding to determine its right to issue the bonds and their validity, similar to the proceeding in relation to irrigation district bonds, provided for by Division 11 of the Water Code, and its provisions apply to and govern the proceedings to be commenced by the board, so far as applicable. The judgment has the same effect as a judgment in relation to irrigation district bonds under the provisions of Division 11 of the Water Code. The board may use the same procedure to validate the creation of the district and any annexations thereto.

Sec. 98. An issue of bonds is hereby defined to be the aggregate principal amount of all of the bonds authorized to be issued in accordance with a proposal submitted to and approved by the electors of the district, but no indebtedness will be deemed to have been contracted until bonds shall have been sold and delivered and then only to the extent of the principal amount of bonds so sold and delivered.

Sec. 99. The board may, in its discretion, divide the aggregate principal amount of such issue into two or more divisions or series and fix different dates for the bonds of each separate division or series. In the event any authorized issue is divided into two or more divisions or series, the bonds of each division or series may be made payable at such time or times as may be fixed by the board separate and distinct from the time or times of payment of bonds of any other division or series of the same issue.

Article 6. Revenue Bonds

Fairfield-Suisun Sewer District Act

Conformed Document as of 7/1/2020

hereafter provided in the Sanitation, Sewer and Water Revenue Bond Law of 1941.

Sec. 106. The board shall have and exercise for the district the powers and duties of local agencies under the said law, and the bondholders shall have the rights and remedies therein provided.

Sec. 107. The board may guarantee the payment of any part of the principal and interest of said bonds which are not paid for want of sufficient revenues of the enterprise. For that purpose it may pledge all revenues of the district, including tax revenues.

It shall only be necessary to record the assessment in the office of the district engineer and in the office of the county surveyor or county engineer of the county. No assessment or bond hereafter levied or issued shall become a lien and no person shall be deemed to have notice thereof until a certified copy of said assessment and the diagram thereto attached shall be recorded in the office of the district engineer and in the office of the county surveyor or county engineer of the county.

Sec. 123. If the board fails to furnish the written statement, the board of supervisors shall ascertain the amount necessary to pay the interest on the bonds for that year and the portion of the principal that is to become due before the proceeds of the next general tax levy shall become available, and shall levy and cause to be collected the amount.

Sec. 124. The board shall control and order its expenditure.

Fairfield-Suisun Sewer District Act

Conformed Document as of 7/1/2020

fund to be called the "Fairfield-Suisun Sewer District Construction Fund No. ____." (inserting number)

Sec. 152. The money in any construction fund shall be used for the purpose indicated in the resolution calling the election upon the question of the issuance of bonds, or for the purpose described in the resolution of intention in the assessment proceedings, or for repayment of money borrowed for the purpose of financing the improvement for which bonds were subsequently issued, or the assessment levied, and for no other purpose, except that any money in the construction fund determined by resolution of the board to be in excess of the amounts required for completion of the improvement authorized may, by the resolution so determining, be transferred to any other fund of the district and be used for any lawful purpose.

Article 10. Urgency

Sec. 160. The purpose of this act is to form the Fairfield-Suisun Sewer District in order that the area benefited may be served with sewer and storm drain facilities; special facts and circumstances, applicable to the area in which the district lies and not generally, makes the accomplishment of this purpose impossible under existing general laws, and therefore special legislation is necessary. The special facts are as follows:

- a. The area has no facilities for the treatment and disposal of sewage and is consequently contaminating and polluting the waters of Suisun Bay.
- b. Recent increases have resulted in a population disproportionate to the assessed valuation of taxable property in the area, and construction of adequate facilities cannot therefore be financed within the framework of existing general laws.
- c. The area is of strategic importance during times of war or threatened war because of

Fairfield-Suisun Sewer District Act

Conformed Document as of 7/1/2020

the proximity of the Travis Air Force Base, formerly known as the Fairfield- Suisun Army Air Base, center of military air operations on the Pacific Coast. Influx of military men and their families has greatly aggravated the problem of sewage disposal in the area.

Sec. 161. This act is an urgency measure necessary for the immediate preservation of the public peace, health or safety within the meaning of Article IV of the Constitution and shall take effect immediately. The facts constituting such necessity are:

Water pollution and contamination are critical problems in the proposed district. State and local health authorities are agreed on the urgent need for immediate sewage treatment facilities in the area if a serious health condition is to be avoided. Inadequacy of existing law makes it necessary that this legislation take immediate effect so that necessary facilities may be provided.
