

NOW HIRING!

UTILITY WORKER

\$25.31 - \$31.66 per hour

Recruitment closes at 5:00 PM (PST) on May 13, 2024 or once 100 applications are received.

POSITION

The Utility Worker performs a variety of unskilled and semi-skilled tasks related to the routine maintenance and repair of the wastewater treatment plant, facilities, grounds, pump stations, and vehicles to ensure clean, orderly, and safe operating conditions in compliance with applicable regulations, codes, and standard operating procedures. The duties of this classification involve work which is physical in nature and requires familiarity with general laborer tasks. This classification may be required to operate some types of mobile and general construction equipment and vehicles.

In this position you will perform work which primarily involves landscaping maintenance of the plant facility, as well as performing preventative maintenance on equipment and plant facilities, forklift/tractor operation, and assisting operations and maintenance staff as required.
