

FAIRFIELD-SUISUN SEWER DISTRICT NOW HIRING!! ASSOCIATE ENGINEER

\$68.37 – \$85.34 per hour

Does not include a 4% COLA effective July 12, 2024

THE POSITION

This position serves as lead Project Manager and/or Construction Manager across a wide range of projects within the District Capital Improvement Program (CIP). Close collaboration with construction inspectors, Operations & Maintenance personnel, other District staff, external contractors and consultants, and community partners is essential to accomplish critical infrastructure renewals, replacements, and capacity projects.

Furthermore, this role contributes to the District's Planning and Development program by reviewing proposed community developments and engaging with external agencies and development teams. Additionally, this position will support the District with other technical services including review and preparation of engineering reports, calculations, designs, specifications, and plans in conformance with current industry practices, codes, regulations, and ordinances.

This position requires a State of California Professional Engineer license and offers an opportunity for career advancement.

THE BENEFITS

- District paid Medical*, Dental, Vision, Life, EAP, and Long Term Disability
- Retiree Health and CalPERS Pension
- Employer contribution of 9% with 6% irrevocable employee contribution to 401(a) deferred compensation
