WASTEWATER PATHWAYS

Career Presentations

Hear from staff about different roles and career paths in wastewater.

Internship Opportunities

Learn about internship opportunities and what you would be doing in those roles.

Live Demonstrations

Each department will offer a demonstration, giving you a firsthand look at the work they do every day.

Walking Tour of Facility

Join staff on a tour to see where and how the work happens every day.

To Sign Up:

Scan the QR code to sign up! Spots are limited to the first 50 participants, so don't wait. Those selected will receive a confirmation email with additional details.

Questions?

Email Tania at tmedrano@fssd.com or call 707-428-9100.

Why should you come?

Discover careers in wastewater management! Whether you're interested in engineering, operations, lab work, administrative support, or just exploring career options, join us to learn from experts, see demonstrations firsthand, and connect with professionals in the field.

Location:

1010 Chadbourne Drive
Fairfield, CA 94534
