Ian Bronswick, P.E.  
Project Manager

DRAINAGE MAINTENANCE MASTER PLAN  
REQUEST FOR PROPOSALS  
PROJECT NO. 4003

**ADDENDUM NO. 1**

*This Addendum No. 1 shall become part of the Request for Proposals and all provisions of the Contract shall apply thereto. **Proposing Consultants shall acknowledge receipt of this addendum by including a written statement in their proposal.** The due date for Proposals has NOT changed, and remains as specified in Section VII, "Proposal and Project Schedule" of the Request for Proposals dated March 30, 2026.*

*All changes to the Request for Proposals Documents language and requirements are denoted in **bold italics** for additions and ~~double strikethroughs~~ for deletions.*

Question #1:

Will as-built plans for storm drain facilities including pipes, pump stations, trash capture devices, and other types of facilities be made available? If so, what format are the plans in (hardcopy, PDF, CAD, etc.)?

**Answer: Yes, As-built documents for the stormwater facilities will be provided by the District and Cities. There will be a combination of file types provided to the selected consultant; Most of the available documents are scanned PDFs. It should be assumed that not all facilities will have available reference documentation.**

Question #2:

Are covers and dividers excluded from the page limit?

**Answer: Yes, covers and dividers should be excluded from the page limit.**

Question #3:

Is the Fee Proposal, that is submitted separately, excluded from the page limit?

**Answer: Yes, the Fee Proposal should be excluded from the page limit.**

END OF ADDENUM NO. 1
