

MAINTENANCE

MAINTAIN THE SYSTEM AND EQUIPMENT.

They keep everything in the plant running - if they aren't doing their job, the system doesn't "work". These are hands-on trades careers repairing and maintaining the pumps, electrical panels, instrumentation, sewer pipes, and other vital equipment behind every drop the District treats.

MAINTENANCE MECHANIC

REPAIR. MAINTAIN. TROUBLESHOOT.

Maintains and repairs critical plant & pump station equipment - pumps, valves, gearboxes, engines - so every part moves the way it should. You will find something broken, fix it, and see the results of your work right away.

WHY IT'S AMAZING

- Real time satisfaction: fix it, flip it on, watch it run
- Keeps essential systems running that people rely on daily
- No two days are the same

PATH & CERTIFICATIONS

- HS Diploma/GED
- Some maintenance experience preferred (Utility Worker is a pathway to Maintenance Mechanic)
- CWEA Mechanical Technologist, Class A License, crane/forklift certs

COLLECTIONS TECHNICIAN

INSPECT. MAINTAIN.

Inspects and maintains the underground collection system - sewer pipes, manholes, pump stations, the hidden network the District and the public relies on daily - using GIS, high power jetters, and robotic camera technology to keep it flowing.

WHY IT'S AMAZING

- Protects public health & the environment
- Advanced tech, great coworkers, real teamwork
- Great pay and benefits

PATH & CERTIFICATIONS

- Part of Maintenance Mechanic position
- CWEA Collections, Class A License
- Traffic control & pipeline inspection (PACP) certs

ELECTRICAL & INSTRUMENTATION TECHNICIAN

INSTALL. CALIBRATE. TROUBLESHOOT.

Installs, calibrates maintains and troubleshoots the sensors, PLCs, SCADA systems, motors and electrical panels (24VDC - 480VAC) that control and monitor plant processes, working closely with other departments.

WHY IT'S AMAZING

- New variety of work every single day
- Important, hands-on service for the community
- Pays well with great benefits

PATH & CERTIFICATIONS

- Community or Technical College programs
- Apprenticeships or on-the-job training
- CWEA E&I Technician
